A Statement on the Targeted Public Distribution System (TPDS) has been made in the Rajya Sabha on 24.2.1997 and copies of the detailed guidelines issued in this regard have also been laid on the table of the House. As per the guidelines, the state Governments/UT Administrations are required to identify the beneficiaries who live Below the Poverty Line, based on the provisional estimates arrived at by the Planning Commission for the year 1993-94 adopting the methodology of "Expert Group on Estimation of Proportion and Number of Poor" constituted by the Planning Commission under the Chairmanship of Late Prof. Lakdawala. (b) if so, the details thereof; and

THE MINISTER OF FOOD AND MINISTER OF CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI DEVENDRA PRASAD YADAV): (a) and (b) The open sale of wheat is undertaken by the Government through Food Corporation of India, as and when considered necessary, in order to exert healthy influence on the open market prices of wheat without jeopardising Public Distribution System. Keeping in view the wide gap in the market prices vis-a-vis open sale prices notified by the Government, to neutralise the freight element paid by Food Corporation of India in moving wheat from procuring areas to consuming areas and to reduce the subsidy burden in the open sale and to discourage the traders from making undue profit, the Government decided to increase the open sale prices of wheat with effect from 4.2.1997. The prices are now in the range of Rs. 4900/- per MT in Chandigarh to Rs. 7900/- per MT in Thiruvananthpuram.

(c) No Sir, the Public Distribution System is being streamlined with its focus on the poor who shall be issued foodgrains at specially subsidised price as per the guidelines issued for the Targeted Public Distribution System.
